

*To Our Dear Family, Friends and Colleagues,*

Thank you all so much for making the 1st Annual Aaron Hubbell Memorial Golf Tournament a success. The outpouring of love and support throughout the past year has been tremendous and there are no words to describe our appreciation. We are truly blessed to have such wonderful people in our lives.

Aaron was a true inspiration for us all! His faith, character, sense of humor, love for life, and love for his family and friends are just a small portion of the things we remember about our hero. Reflecting on those qualities helps us to realize that God truly blessed us with Aaron. Our memories of Aaron should inspire us throughout our lives to approach everyday with meaning and purpose. Many of you will recall that a full day to Aaron (and Jim Valvano) was to laugh, to think and to cry.

Beyond your contribution to make this day a success for our family, you have all contributed to a charity that helps children fighting cancer in St. Louis. A portion of the proceeds from this tournament will benefit Friends of Kids with Cancer. Aaron had a special place in his heart for “Friends” and it is our honor to have his tournament benefit such a worthy cause.

Thank you all again for making our first year a success! We look forward to seeing you all again next year! Please be sure to check [www.aaronhubbell.net](http://www.aaronhubbell.net) for updates on events and next years tournament.

With love and respect,

*The Hubbell Family*
